### ABOUT MOUNT WARNING:

Mount Warning is the central remnant of the Tweed Volcano which erupted over 23 million years ago forming the many mountains and ranges in the area. Today, Mount Warning is part of the World Heritage-Listed Gondwana Rainforests of Australia.

On this day trip, students will get to climb to the summit of Mount Warning and enjoy panoramic views of the Border Ranges, Tamborine Mountain, the Lamington and Springbrook Plateaus and the coastline of Byron Bay.

Oceanic Tours incorporates both education and sense of adventure through a range of exciting, unique experiences. The tours are run by Glen Hogan, a passionate and qualified **Education Queensland Teacher**.

**Oceanic Tours is an EQI Sports, Leisure and Recreation Provider.**
