ABOUT NOTHERN NSW:

Northern NSW is one of Australia's best kept secrets with stunning beaches and beautiful hinterland. On this 3 day camp, students will get to climb Mount Warning, the first place the light touches Australia in winter.

As we travel further south, students will get to stand at the eastern-most point of Australia at Cape Byron Lookout before sea-kayaking with dolphins and turtles - an amazing experience! Students will also have the opportunity to swim in the natural rock pools of Angourie and explore the unique beach landscape of Yamba.

Oceanic Tours incorporates both education and sense of adventure through a range of exciting, unique experiences. The tours are run by Glen Hogan, a passionate and qualified **Education Queensland Teacher**.
