OCEANIC TOURS SURF AWARENESS & SWIMMING PROFICIENCY PROGRAM:

The Oceanic Tours Surf Awareness & Swimming Proficiency Program is a fun, interactive way for students to learn valuable swimming skills while also improving on their English skills during their time in Australia.

Students will begin with a structured pool component before taking their newly acquired swimming skills to the beach. During the course, students will work towards a minimum award allocation of L1 Swim & Survive which recognises base water awareness.

Oceanic Tours incorporates both education and sense of adventure through a range of exciting, unique experiences. The tours are run by Glen Hogan, a passionate and **qualified Education Queensland Teacher**. Our Surf Awareness & Swimming Proficiency Program is run in conjunction with The Aqua English Project.
